

When You Were My Age  
Interview Questions

Name: \_\_\_\_\_

For homework, please help your child connect with an elder person. They will be comparing their lives to the life of the adult, therefore finding someone who is quite a bit older is helpful. They will need to ask the following questions, create a question of their own and record the full name and age of the person they interviewed. Please return the completed form on or before Mon., Oct. 8.
